

Dear Commissioner, 70 99 APR-5 P2:01
My name is Starr Valdez. I am a junior
at Eldorado Highschool. I have studied the
Jungle by Upton Sinclair very closely. It
was to my understanding that after the Jungle
was published, the dunned animal protection
act Document # 98 P-0151/CPI was passed.
This assured me that when I eat beef
I am safe. But that's not what's happening,
every time I bite out of hamburger. I fear
that I am going to get sick. Can you
assure me that I will be safe.

Thank you for your time
Starr Valdez
